let's have a look, 2010

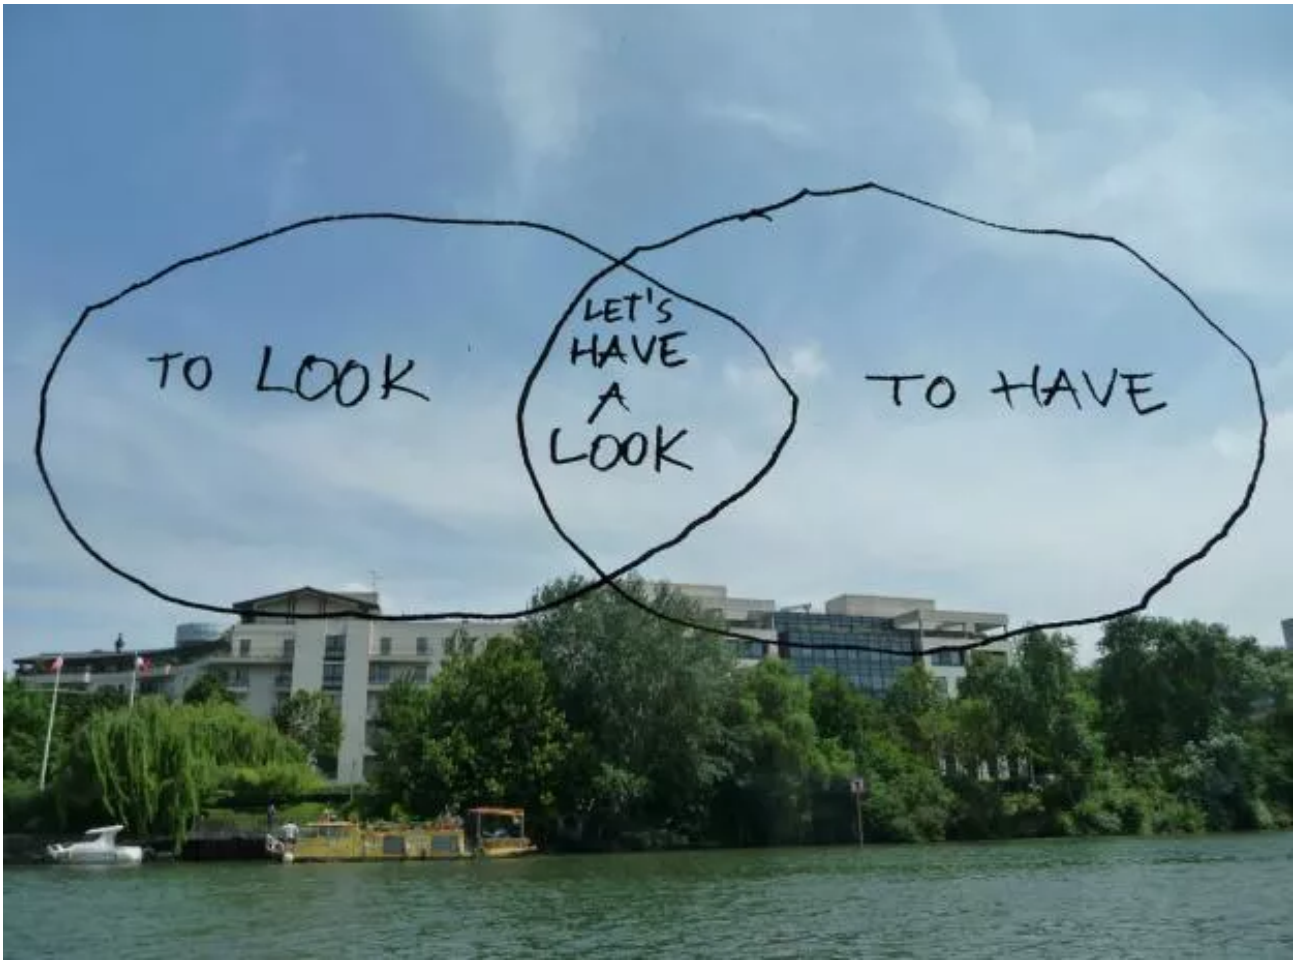

A quizzical conjunction of two verbs outlining the experience that under the current market & data dynamics, one needs to acquire (to have) a finely tuned lens (to look) in order to secure one’s freedom of observation (let’s have a look).
Sticker, 140 x 60 cm. Edition of 25 copies.

Sticker, 140 x 60 cm. Edition of 25 exemplars.
