grass is kept short, 2016
Collapsible composition with horseshit about different types of danger. Published by 105 Besme, edition of 6 + 3 AP.

Grass is kept short to discourage insect
pests and to allow for
the enjoyment of picnics and
sporting activities.

Grass is kept short to discourage insect pests and to allow for the enjoyment of picnics and sporting activities.

Le danger s'approche et arrivera probablement dans quelques jours, ou bien il s'agit d'une situation s'installant lentement, ou bien dangereuse uniquement du fait de sa durée.
